HOW DO WE DO CHURCH?

Hi Westside Family,

Re-entry is being discussed in every part of our society. Certainly, that is the case with the Church. Church leaders everywhere are discussing, "how do we do church?" As a leadership team here at Westside, we are looking to the Lord for His leadership and direction. I am convinced that current meeting restrictions are not an interruption but a disruption. We need to see this not as an obstacle to overcome, but an opportunity to see the Lord move in new ways. I believe many of us can see how that has already become a reality in the last several weeks.

We will carry on with streaming our Sunday services for the next two weeks and will look to transition after that. In next week's newsletter we will be ready to detail our re-entry plan. My heart is filled with expectation of all the good things that God wants to do in our church community and beyond in the days ahead.

Ben and Brenda Peters have joined us three weeks in a row. Their prophetic ministry has brought such life and encouragement to many. It also stirs up a hunger to hear the voice of God. In the next several Sundays I want to focus on hearing God. I am calling this series, "Can You Hear Me Now?" I am looking forward to sharing some key passages in the Word that will help us all to press in and grow in discerning the voice of the Lord.

Blessings,

Pastor Danny
