## JUNE 7<sup>TH</sup> IS A VERY BIG DAY FOR WESTSIDE!

June 7<sup>th</sup> is the day we're going to hold our first large group services on our property since closing down, in obedience to government mandates, in the battle against COVID-19!

Yes, we're back June 7<sup>th</sup>! We will once again gather to worship together face to face.

But we're back in a very different way than before!

Beginning Sunday, June 7<sup>th</sup>, there will be two meeting times ... one at 9 a.m. and the other at 11 a.m. ... each meeting time will have two unique services with their own leader at different sites on the property. We will welcome a maximum of 50 people with appropriate physical distancing limits in the main auditorium, and another 50 people will gather in the Upper Room.

The 11 a.m. service in the main auditorium will be livestreamed on Youtube for those unable to attend. We will not be providing a Coffee Bar or Westside Kid's Ministry. Parents with young children are encouraged to attend the service in the main auditorium.

**We need everyone to let us know which specific service they wish to attend via a sign up page on our website, or by contacting the church office. More details about that to come.**

This is new for all of us and we expect to fine tune things as we go along.

These are very significant changes to what we are all accustomed to. I am reminded that we prayed and strategized for two years in preparation for launching a second service. That plan was put on hold when the shutdown occurred. Now we find ourselves not just starting a second service, but actually launching four! Please, let's all of us look to the Lord as to what He wants to accomplish through us in a constantly changing time.

Blessings,  
Pastor Danny
