

BEING ANOINTED

Hi Westside Family,

This past Sunday Pastor Marlo had a great word of encouragement. He spoke of the importance to monitor the information that we take in and to learn to "take a break." In all three services (plus the two groups in the upper room) we then heard some wonderful expressions of thankfulness as various people shared. .

The focus I have been pursuing the last several weeks is a concept that emanates from 1Chron 12:32. This verse tells us that the sons of Issachar were "men who understood the times and knew what Israel should do.", The wider context speaks of the various groups of men that were gathering in Hebron to side with David. This lone verse points to the great asset that the sons of Issachar brought to the team. They had deep insight, wisdom and perception. My cry in this day and hour is that God would give us an Issachar anointing to be a people of supernatural empowered wisdom to understand the times we live in and what that means for our lives.

Two Sundays ago we heard a powerful testimony from Dandi Cai. She shared with us that one day, while she was reading the passage where Jesus was praying in the Garden of Gethsemane and was exhibiting extreme mental anguish, she received deep, life changing revelation as she understood that Jesus suffered for her emotional and mental challenges. That truth brought healing and deliverance from the extreme oppression she had been fiercely battling.

This Sunday we will take a close look at 1John 2:20,27

"But you have been anointed by the Holy One, and you all have knowledge....

But the anointing that you received from him abides in you, and you have no need that anyone should teach you. But as his anointing teaches you about everything, and is true, and is no lie—just as it has taught you, abide in him."

These are profound verses that speak of an anointing that we have been given because of the Holy Spirit. We need to be reminded of this anointing that abides in us that gives us supernatural ability to understand the great truths of the Word of God.

Blessings,
Pastor Danny
