## HAPPY THANKSGIVING

Dear Westside Family,

On this Thanksgiving weekend...

We give thanks to you, O God; we give thanks, for your name is near.  
We recount your wondrous deeds. Ps 75:1

I give thanks to my God always for you because of the grace of God that was given you  
in Christ Jesus, 1Co1:4

Giving thanks is more than a good idea, it's the spiritual blood flow in your lives. In the natural, if you blood flow is impeded, your life is in danger. In the spiritual, if you lose a thankful heart, God's life giving force will be greatly hindered. Let's be reminded this holiday weekend that possessing a grateful heart is not just a good idea, but it is literally one of the most life altering attitudes we can possess.

Blessings,  
Pastor Danny

## INTRODUCING CHILDREN'S CHURCH

Sunday, October 18th, 2020, we are pleased to announce we are launching a Children's Church program for grades K-7. It will take place in the Upper Room during the 9 a.m. service time.

My team and I are excited to get started. From 9 a.m. to 10:15 a.m. we will engage your children in song, videos, and most importantly solid biblical teaching. We will provide individually wrapped snacks. Protocols for cleaning, and social distancing will be in place.

Please drop off your children at the bottom of the stairs to the upper room and pick them up there as well. Parents will need to register each child separate along with registering their own spots in the main auditorium. Parents can also choose to sign up for the upper room to stay with their children.

I appreciate the opportunity of working with your children again. During these difficult times we have chosen to move forward with boldness and caution, two words I never thought I would use in the same sentence. However, nothing can stop the Kingdom of God from advancing, and my team and I are ready to play our part in that advancement.

Regards  
Pastor Dirk

## ACTIVITY BAGS

Starting Sunday, October 18th, we will also once again have activity bags available. They will be designed for our preschoolers. Please be reminded that parents of preschoolers are encouraged to sign up for the main auditorium services. The foyer and the conference/nursery room will be available during the service if parents desire to care for their children in those designated areas

## REGISTER REMINDER

We have an awesome problem... the services are overflowing! Because of this increase and Covid policies tightening up, we are asking for people to do the following:

- Households can still be registered under one name
- If you are registering someone who is not in the same household (living in the same house) please register them with their own name
  - We have made the registration very user friendly so encourage guests to check in themselves at [wffpg.ca/register](https://wffpg.ca/register) *This is a sharable link*
